Research: In the past three years, I have published 3 papers in top peer reviewed journals (*Mind*, *Australasian Journal of Philosophy* and *Cognition*). In addition, I have two papers currently submitted to peer reviewed journals (*Nous* and *Synthese*). I have also published (or have forthcoming) 8 papers in invited volumes during that time. I am working on a book manuscript *The Skeptical Mind*, in which I develop a cognitive model for skeptical judgements. In the past three years, I have also been invited to give 12 talks in 6 different countries.

Service: In 2016, I was Director of Graduate Studies in philosophy. I was also colloquium director for philosophy. Besides refereeing for 9 journals, I also organized a prestigious interdisciplinary conference on “Experimental Philosophy”. Speakers included Shaun Nichols, Edouard Machery, Tania Lombrozo and others. In 2017 I organized a prestigious conference on pragmatic encroachment in epistemology. Speakers included John Hawthorne, Brian Weatherson, Matthew McGrath and others.
